

Use this worksheet during the presentation “activity break” to help guide you through using qualitative methods to conduct a community needs assessment.

Worksheet Side 1. You can use this worksheet during Activity 1 to help you use qualitative methods in order to conduct a needs assessment for your community.

What do you want to learn about your community?	Who do you want to hear from?	How will you hear from them? What methods might you use to gather input?
①	①	①
②	②	②
③	③	③

Worksheet Side 2. You can use this worksheet during Activity 2 to help you think of some questions to ask during interviews or focus groups with some of the key stakeholders you listed above.

What questions would you ask during your interviews and/or focus groups?
1.
2.
3.
4.
