Address _____ City _____ State ____ Zip _____

Recommendations given to store owner/mgr.: _____

Action by store owner/manager: _____

¹ Note date on sticker on back or side of seat (date is printed by computer, not pre-printed in corner of sticker); "no date" if the date is not clear or sticker is missing.

² Write "yes" if certification sticker on seat states it meets federal safety standards for motor vehicle use; "no" if sticker is not present.

³ Write "yes" if instruction booklet is with seat; "no" if instruction booklet is missing.

⁴ Write "none" or describe (examples: recalls, cracks in plastic shell, frayed or missing harness; torn or missing cover; metal parts which are rusty, bent, or loose; harness cannot be adjusted; buckle does not latch or unlatch; missing harness retainer clip (plastic clip on the chest required on most, but not all, safety seats with a harness).

⁵ Write "yes" if form filled out by original owner of the seat states that it has never been in a crash; "no" if form not provided (#434) available from SafetyBeltSafe U.S.A.).
