

Tennessee Highway Patrol

National Traffic Incident Management Responder Training.

---

---

---

---

---

---

---

---

THP

- Average annual number of responders struck and killed nationally while working in or near moving traffic:
- Fire and Rescue and EMS : 6 to 8/year
- Law Enforcement: 10 to 12/year
- Tow/ Recovery: 50/ year
- Highway Worker: 100/year+20,000 injured

---

---

---

---

---

---

---

---

THP

- Estimated 20-25% of all incidents are secondary.
- Estimated that the likelihood of a secondary incident raises 2.8% for every minute.
- Often more severe than the primary incident.
