CA DMV Driver Safety Branch

Physical & Mental Cases

- Referral Sources
- Driver Safety Hearing Officers
- Driver Medical Evaluation
- Drive Tests

Referral Sources

- Medical Referral Letters
- Confidential Morbidity Report
- Self-Referrals
- Request for Driver Reexamination (DS 699)
<https://www.dmv.ca.gov/portal/dmv/forms/form-ca-ds699.pdf>
- CA DMV Field Office
- Law Enforcement Notice of Reexamination (Regular vs. Priority)

Driver Safety Hearing Officers

The diagram illustrates the Analytical Process and P&M Training Module. On the left, a box labeled "Analytical Process" contains four puzzle pieces labeled "Investigate", "Reason", "Review", and "Analyze". A road winds from these pieces towards a person sitting at a desk, representing a hearing officer. To the right, a box labeled "P&M Training Module" features a blue cross with a caduceus symbol.

Driver Medical Evaluation (DME)

Form [DS 326](#)

- Driver Information & Health History
- General (e.g. diagnosis, prognosis, prescribed medications)
- Medical Advisements regarding driving
- Functional Impairments
- Lapse of Consciousness
- Dementia or Cognitive Impairments
- Diabetes
- Additional Comments & Medical Professional's Signature

Drive Tests

The diagram shows a central illustration of a car with a driver and a passenger, surrounded by four circular nodes connected by a road-like path. The nodes are: "Special Restricted License (SRL)" (purple), "Supplemental Driving Performance Evaluation (SDPE)" (green), "Area Driving Performance Evaluation (ADPE)" (blue), and "Special Instruction Permit (SIP)" (orange).
