

## Announcing the 2024 Lifesavers Traffic Safety Scholars Program

Ever thought about a career in traffic safety? Traffic safety is a multi-disciplinary field providing tremendous career opportunities. Government agencies, non-profits, businesses, and universities employ thousands of professionals who use their expertise to improve safety on our nation's roadways. Curious? Then you should apply to be a 2024 Traffic Safety Scholar.

The 2024 Lifesavers Traffic Safety Scholars (TSS) Program provides awards of up to \$1,000 to undergraduate and graduate students to help defray the cost of attending the *Lifesavers Conference on Roadway Safety*, at the Colorado Convention Center in Denver, Colorado, April 7-9, 2024. Scholars will receive an exclusive reduced registration rate and will also earn a Lifesavers Conference Accreditation Letter.

This is an amazing opportunity to meet with and learn from highway safety professionals from across the U.S., expand your network and explore career opportunities that could change your life!

**How can you apply to be a Traffic Safety Scholar?** You must be a student enrolled on a full- or part-time basis at an accredited college or university during the Fall 2023/Spring 2024 academic year and fully complete and submit the online application on the Lifesavers [website](#), on or before midnight, Friday, November 10, 2023. Previous TSS applicants and recipients are encouraged to apply. Note: You must still be a student during the Spring 2024 semester to qualify.
