

## 2025 Moderator/Speaker Travel Expense Support Application

### Terms & Conditions

The Lifesavers Conference is a non-profit program funded through sponsorships, registrations, and exhibit fees. The goal is to provide a quality conference to the largest possible audience while keeping the registration and exhibit fees as low as possible. This is possible because moderators/speakers are asked to bear the cost of their registration fee and travel expenses.

Moderator/speaker travel expense support may be available to assist speakers from state and local non-profit organizations, government agencies and advocacy groups who demonstrate need. Travel expense support is provided to help defray the cost of the conference registration fee and hotel/travel expenses.

#### Eligibility Terms

- Speakers should consult their ethics manager and or/review State/Federal guidelines before applying for travel expense support.
- Generally speaking, Lifesavers will not fund the same speaker in consecutive years.
- Representatives of private companies or established national traffic safety organizations are not eligible.
- Exhibitors and pre-conference training speakers are not eligible.
- Assistance is non-transferable.

#### Application Process

- Applications must be received by [February 21, 2025](#). If funding is still available after that date Lifesavers will accept additional applications. You will be notified of your approval status within three weeks of applying.
- The link to the application can be found on the [website presenters](#) page, or click [HERE](#).
- If approved, you will receive a check to apply to your registration, travel and/or hotel expenses. You will receive funding after we receive your hotel confirmation and you have registered for the conference. On average the amount of travel expense support awarded is \$800.

#### Conditions

- You are required to stay at a conference hotel under the Lifesavers room block. Visit the Lifesavers Website [Hotel/Travel Page](#) and click on the hotel reservation button of your choice.
- Register for the conference as a moderator/speaker (speaker rate is \$400).
