

## 2027 Lifesavers Conference on Roadway Safety Questions asked on the speaker portal site

1. Presentation Title - must appropriately reflect presentation content (*15 words max*)
2. Submission Type – single presenter or group presentation
3. Workshop Track: Please choose a workshop track which best relates to your proposal. Lifesavers reserves the right to assign proposals to a specific track. Note: If Lifesavers feels your proposal should be looked at by an additional track than the main track you select here, we will automatically do that, however if you want to be sure we don't miss that, you may select a secondary track at a later step. Please do not submit the same proposal multiple times for different tracks.

Child Passenger Safety	Impaired Driving
Communications	Occupant Protection
Criminal Justice/Law Enforcement	Pedestrian, Bicycle, & Micromobility
Distracted Driving	Safe System
Driver Training/Assessment & Licensing	Vehicle Technologies/Automated Driving

### Presentation Questions:

1. Presentation Summary (100 words min & 200 words max)
2. Describe how the program/countermeasure/presentation topic was evaluated, outcomes, and the implementation process. (500 words max)
3. Identify key takeaways from the presentation, including elements or processes that can be applied to other jurisdictions/communities/programs across the country. (500 words max)
4. Lifesavers is seeking more interactive and engaging presentations. How can this presentation be interactive with attendees? Visit the link below to view outside-the-box workshop ideas. Will one of these workshop formats work well for your presentation? If not, explain how you plan to make your presentation engaging for attendees. Avoidance of lecture style submissions with a standard PowerPoint is advisable to aid in your proposal selection.

5. Lifesavers will need to know your preferred room setup before the workshop schedule is created. Although this setup is not guaranteed, please select which room setup best fits your workshop format.

Note: All workshop rooms will have a podium on the stage with laptop and internet access, AV equipment, wireless microphones, and laser pointer. Additional options such as demo table(s) in front of stage, flipcharts & markers, easel pads & markers, etc. can be requested closer to the conference. Lavalier microphones only available to those who need their hands free for demos or flipcharts.

#### Multiple choice:

Standard theatre style

- Head table on stage with chairs
- Without head table on stage, just chairs

Round tables

- Head table on stage with chairs
- Without head table on stage, just chairs

6. You already selected the applicable track for this proposal, but is there a secondary track that you'd like to have review your proposal?

Note: If Lifesavers feels your proposal should be looked at by an additional track than the main track you selected, we will automatically do that, however if you want to be sure we don't miss that, you may select a secondary track here.

Multiple choice: Child Passenger Safety, Communications, Criminal Justice/Law Enforcement, Distracted Driving, Driver Training/Assessment & Licensing, Impaired Driving, Occupant Protection, Pedestrian/Bicycle/Micromobility, Safe System, Vehicle Tech/Automated Driving, Secondary Track Not Needed
